Our corporate partners

at KMA understand that a non-profit needs to run as a business and that there are costs associated with governance and administration. We aim to keep these costs as reasonable as possible while complying with all legal and moral guidelines and implementing best practice. Our corporate partners support us, so that we can best support the children in our care. These partners invest for a term of 5 years, with an option to renew. In turn, this philanthropic donation affords them an annual SARS18A tax certificate and BBBEE points for their scorecard.

We encourage our Partners to display the words: **Proud Partner of the Kronendal Music Academy** on your company stationery. Our Platinum Partners are presented with a beautifully framed award to hand in their reception area.
