KRONENDAL MUSIC ACADEMY OF HOUBT BAY

Performances are back in action!

When the Covid-19 restrictions fell away we were delighted to witness performance opportunities start rolling back into full action - both for the KMA pupils as well as musicians all around South Africa!

That meant we were able to resume with our Cape Philharmonic Orchestra Rehearsal visits on a Thursday morning (see above). Pictured here (left) are our violin pupils saying “hi” to Nelson Mandela outside the City Hall.

KMA is very grateful to the Nussbaum Foundation for supporting us for another year. It was such a pleasure to host a visit from two of the Trustees, Brian and Mandy Whittax (pictured above right), who spent some time watching Mr Mulalo teach rhythms to the Beginner Ensemble.

Pictured here are (L-R) Mr Andile, Laicah, Diela, Luzuko, Ms Dwyn, Simanyene, Zoe, Owami, Ondele, Mr Keegan, Imenge and Zakhriel.

Our KMA Jazz Band 2022 finally returned to the National Youth Jazz Festival in Makhanda after a 4-year break and our children held their own in mixed-ability bands made up of Jazz pupils from Universities and schools all around the country. Thank you to the Festival Team for another life-changing experience.

We are super excited to have forged a partnership with the UCT College of Music's Willie Haubrich (pictured right). Our brass pupils provide opportunities for the UCT brass students to try out their budding teaching skills and our kiddos get to see what University Music is all about. Thank you, Willie!

We are so proud of our African Instruments Ensemble who have become a popular request at events. Thank you to Maggie Macfarlane for inviting us to play at the Coffee Club 65

Fozzy The Dog approves of the new Psycho-Social resources just in!

At our parent braai this term, we talked about the many ways our parents could grow their skills.

We are very grateful to The CORA Project (CORA) for donating many months worth of sanitary wear for our young ladies. CORA is a women-led non-profit whose mission is to support menstruators from under-privileged communities in South Africa, by providing them with the knowledge and resources to end period poverty.

As the traditional "Thanksgiving" period approaches, we take this opportunity to remember the many donors and supporters who contributed to our mission during this 3rd quarter of 2022:

Peresoft, Uthando SA, The Iqraa Trust, Massimos, Consuelo Roland, Kathy Ackerman-Robbins, Ms Haarhoff, Connie Goudriaan, Eva Whitfield, The Steyn Family, Jono Prest, Terence Bergman, Sony Music, Contributions from Peter Thomas' Birthday, Edward Newenham, Jimi and Julaine Calhoun and Iain Whyte...

... we thank you and love you

each day we ride the bus to KMA
we laugh and sing and talk and play
we keep our hands and feet inside
and our bus monitor is our guide
we use quiet voices so the driver can hear
and this way we stay safe all through the year!

As we have exponentially returned to our “pre-Covid” operations, our numbers are growing once again and our dear ol’ School Bus is taking big strain... Whilst the CEO’s personal vehicle serves as a makeshift transport solution at the moment, we are urgently seeking a donation of second school bus to assist us in safely transporting our pupils to and from KMA every day. Can you help?

This is a wonderful CSI opportunity, and we are able to issue an 18A Tax Certificate for major gifts such as these!

We close off with the announcement of a new milestone for KMA...

We have been bursting out of the seams of our beloved “Oakburn” house for many years... and now, we have finally found our forever home... Over the next 6 months we will be embarking on a fundraising campaign for the purchase of this new property, which will serve as a community meeting place for entrepreneurship opportunities, vegetable allotments, TED talks, performances, conferences and meetings and of course, KMA’s award-winning programmes.
